

Data Sheet

Surface-mount modular keystone enclosure, universal, white, code: DCE/SMB1BADIW4

Description and Technical Characteristics of the Product:

The surface-mount modular enclosure is designed for mounting keystone socket modules (computer and telephone sockets) of the EmitterNet system or others compatible with keystone sockets (see note on compatibility below). One enclosure accommodates one keystone socket, e.g. 1xRJ45. The enclosures can be combined to form multiple (multi-socket) sets, e.g. 2xRJ45, 1xRJ45+1xRJ12, 2xRJ45+2xRJ12, etc. The enclosure has a place for the description of the socket and a coloured marker (blue or green). It is equipped with a tilting dust cap. The enclosure has a hole for cable insertion. The connector that makes it possible to connect the sockets is removable.

The components included: surface-mount enclosure (bottom and cover), two markings (blue/green), connector

Installation method:

Screw the enclosure to the ground, snap in the keystone socket, terminate the socket and snap on the enclosure cover. Mark the socket with a colour-coded marking, optionally include a description of the socket.

In order to obtain multiple sockets, slide one socket into the connector of the other socket, and so on, before screwing the enclosure to the ground. You can remove the unused connector in the rightmost socket (when placing the sockets from the bottom of the enclosure)

Markings:

Surface-mount modular keystone enclosure, universal, white, Code: DCE/SMB1BADIW4

Products compatible with the enclosure:

RJ45 UTP socket Cat. 5e keystone blue code: DCN/FA-682MK-8-C5E
RJ45 UTP socket Cat. 5e keystone white, code: DC/FA-682MK-8-C5E
RJ45 UTP socket Cat. 5e keystone blue (tool-free), code: DCN/FA-S682MK-8-C5E
RJ45 STP socket Cat. 5e keystone blue code: DCN/FA-682MKSF-8-C5E
RJ45 STP socket Cat. 5e keystone white, code: DC/FA-682MKSF-8-C5E
RJ45 UTP socket Cat. 6 keystone blue, code: DCN/FA-1090-8-C6
RJ45 UTP socket Cat. 6 keystone, blue (tool-free) slim, code: EM/UQK-C6
RJ45 STP socket Cat. 6 keystone blue, code: DCN/FA-1090SF-8-C6
RJ45 STP socket Cat. 6 keystone, blue (tool-free) slim, code: EM/SQKSS-C6
RJ45 STP socket Cat. 6A keystone blue (tool-free), slim, code: EM/SQKSS-C6A
RJ12 socket Cat.3 keystone white, code: DC/FA-356A-6

Data Sheet

Technical parameters:

Mechanical:

colour: white
dimensions (W x H x D): 37.0 x 65.1 x 32.3mm
material: ABS

Note:

The assembled set can contain an unlimited number of connected enclosures.
