

Data Sheet

42U side mounting profile for EmitterNet cabinets (2pcs); code: EM/MP42U

Description and Technical Characteristics of the Product:

Side mounting profiles (in the shape of a double Z) are designed for EmitterNet standing ICT cabinets. They are used to expand cabinets with additional mounting profiles and at the same time to reinforce them. As a result, you get an ICT cabinet with 6 mounting profiles. Depending on the type of cabinet, they are mounted either directly to the transverse beams (in 600 mm wide cabinets) or through additional spacer profiles (in 800 mm wide cabinets) available separately. The set includes 2 profiles.

Compatible products:

standing frame cabinet, 42U, dimensions 600X600x1980mm, **Code:** EM/SH05D-6642
standing frame cabinet, 42U, dimensions 600X800x1980mm, **Code:** EM/SH05D-6842
standing frame cabinet, 42U, dimensions 800X800x1980mm, **Code:** EM/SH05D-8842
standing frame cabinet, 42U, dimensions 800X1000x1980mm, **Code:** EM/SH05D-8042
standing frame server rack, 42U, dimensions 800X1000x1980mm, **Code:** EM/ND-8042

Related products:

Set of mounting screws (20 x M6 screw + washer + cage nut) **Code:** BK/11090015
Profile mounting kit for EmitterNet standing cabinets with a width of 800 (6 pcs.), **Code:** EM/BRKT

Installation method:

In 600mm wide cabinets: they should be mounted in the same way as the front and rear mounting profiles installed in the cabinet (to which 19" fixtures are mounted), by screwing them to the transverse mounting profiles of the cabinet, halfway between the front and rear mounting planes; for screwing, use typical screws designed for mounting 19" fixtures (not included); In 800mm wide cabinets: they should be mounted in the same way as the front and rear mounting profiles installed in the cabinet, by screwing them to the spacer mounting profiles (not included, code: EM/BRKT) halfway between the front and rear mounting planes; for screwing, use typical screws designed for mounting 19" fixtures (not included).

Technical parameters:

Mechanical:
dimensions (WxDxH) 1870 x 95 x 14mm
material: painted steel
colour: RAL 7044
