Data Sheet

EmiterNet non-divided 10" wall cabinets with glass doors

Markings:

Code: EM/SOHO-6U

          EM/SOHO-9U

Description and Technical Characteristics of the Product:

The cabinet is made of steel sheet, welded structure, with high rigidity

(greater than that of bolted cabinet models). The enclosure has holes

in the roof and bottom suitable for punching and insertion of cables

with dimensions of 100x65mm (W x H)

Front door with glued glass, with a 1-point lock, mounted on hinges. It

is possible to swap the direction of door opening.

Back made of sheet metal with 4 holes for fixing the cabinet and a

large hole for insertion of cables and wires.

Two 19" vertical mounting profiles (one mounting plane) at a distance

of 75mm from the front door.

Includes a shelf, a set of 6 mounting screws and 2 door keys.

Technical parameters:

Standard colour RAL 7044 (light grey - structure)

Door of steel sheet

One 19" mounting plane

Fully-assembled cabinet, ready for installation and assembly of equipment.

The cabinets are packed in a cardboard box

Equipment:

Shelf fixed in 2 points

Mounting screws 6 sets

door keys 2 pcs.
