

**EM (EmiterNet) standing cabinet interconnection kit; code: EM/JI03/N****Description and Technical Characteristics of the Product:**

A set of connectors used to connect two EmiterNet standing cabinets.  
The set includes 6 pcs. (the photo shows one piece).

How to use: remove the opposite side walls (the left wall in one cabinet, the right wall in the second cabinet), and then set the cabinets side by side so that these sides are in contact. The connectors are inserted into pre-drilled holes in the profiles: the openings at the top of the cabinet, which used by the lock bolt of the side wall, and the corresponding holes in the middle and bottom section of the cabinet.

**Markings:**

EM (EmiterNet) standing cabinet interconnection kit; code: EM/JI03/N
