### UCHKP quick-mount brackets

#### Description and Technical Characteristics of the Product:

Quick-mount bracket for installation of modules in 45x45mm standard for KP90x40 ducts, KP90x60, KP110x60 and KP150x60.

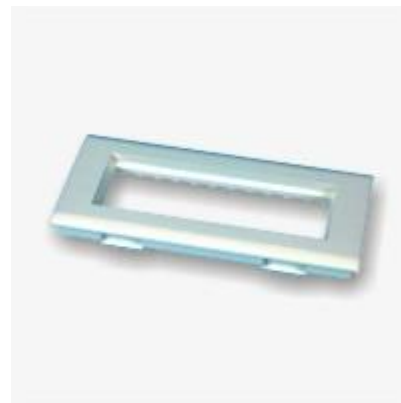

#### Installation method:

Snap the UCHKP bracket onto the edges of the duct, snap in a network or computer socket.

Do not combine GN-4 or GNB-4 sockets with 2x 1-module adapter or 2-module angle adapters in UCHKP-6 brackets.

The UCHKP-6 bracket can only be used for RJ computer sockets and triple power sockets.

Double or triple power sockets cannot be used in KP90x40 duct.

#### Markings:

2-module quick-mount bracket, Code: UCHKP-

4-module quick-mount bracket, Code: UCHKP-4

6-module quick-mount bracket, Code: UCHKP-6
