Data Sheet

Cable connector Cat.6A, tool-free,

Markings:
Cable connector Cat.6A, tool-free; Code: EM/FA-757K-C6A-BK

Description and Technical Characteristics of the Product:
The Cat.6 shielded cable connector is designed to connect broken ICT cables while maintaining the appropriate transmission parameters (and thus the link class). Tool-free installation allows cable termination without the need for special tools.

Technical parameters:
Colour: silver
Dimensions: (W x H x D): 75x15x13mm
Category: 6A
Shielding: yes
Connector: IDC-LSA type
Enclosure material: metal
